Empowering Youth Exploring Justice  
3535 Perkins Avenue  
Cleveland, OH 44114

Dear Ms. Moore:

It is with great pleasure that I add my full support to EYEJ: Empowering Youth Exploring Justice as it seeks for funding to extend its programs into 2019.

The example set at EYEJ by providing life skills and personal development tools for our most vulnerable youth is to be commended. Your efforts to inspire, empower and care for area teens and pre-teens is invaluable at a critical time when students are developing their critical thinking skills. Your mission to empower them to engage in discussions cultivates an environment that will help them foster new ideas for change in times of challenge and social injustice.

I look forward to working with EYEJ in the future as it continues to create positive change in the City of Cleveland.

Sincerely,
