

# Y.O.D.J PHOTO DISPLAY

AUGUST 3 | 1-2 PM EST

The Photo Display is a community event where Y.O.D.J students will share their photographs and stories of their visions of change.

This event is a collection from the Photo Display Project. The project dynamically engages the youth participants to ideate & identify their vision, and actively participate & collaborate in driving the change they would like to see in their lives and communities.

Art is an outlet for change and brings awareness to topics surrounding social justice.

The Photo Display is open to any and all of the public.  
All are welcome to register!
